LET IT BE RESOLVED, that the Undergraduate Students Association Council stands in full support of both Assembly Bills 130 and 131 as presented by Assemblymember Cedillo.

LET IT BE FURTHER RESOLVED, that the USAC also stands in opposition to Assembly Bill 63 because it would eliminate many of the opportunities, like AB 540, that undocumented students have worked so hard to attain.

LET IT BE FURTHER RESOLVED, that the USAC strongly urges all students, student organizations, administration, faculty, and workers to drop the use of the words “illegal” and “alien.”

LET IT BE FINALLY RESOLVED, that the Undergraduate Students Association Council commends Chancellor Block for agreeing to express his support of the California DREAM Act at a press conference organized by undocumented students and allies.
